Applied for Business

Informed Training

Consultation means training that is delivered to meet your company's unique requirements. ATS can deliver a mix of face-to-face, online, blended and practical applications to fit in with how your business works.

Assessing your specific needs, we can arrange training suitable to your operations. Through collaboration, we can also create bespoke training with our in-house writers and developers.

Applied for Work

Industry Expertise

Compliance assurance is important in ensuring that your employees are qualified to apply regulatory requirements and industry best practices.

Our instructors are industry professionals with current, real-world experience in Food Service Industry.

Applied for Skills

Real Results

Training incorporates Standards for Food Safety Australia and New Zealand / Food Authority NSW and industry best practices. Your training outcomes should be realistic and measurable.

We don't stop there. ATS defines what must be achieved and monitors how well these outcomes have been delivered.

Applied Approach

Program Features

- Blended learning, assessment activities in the workplace, supported by relevant stakeholders
- A delivery model based on project/event management principles to keep student progression on track.
- Multiple exit and entry points to support a flexible format of delivery for student and employer.

Student Benefits

- Learning milestones are clear, flexible, and highly organised to support the student experience
- Assessment deliverables are built throughout the program to support confidence and commitment levels of each candidate.
- Students, employers and relevant stakeholders are provided with an annual calendar to organise attendance and workplace support for each program activity.

Parent Qualification

SIR30216 - Certificate III in Retail

(Parent Qualifications include certificates I and above in Retail and Food science and technology)

This qualification reflects the role of individuals who have the primary responsibility of engaging the customer, maintaining daily store operations and delivering on organisational expectations. They have sound knowledge of product and service offerings. These individuals possess a range of well-developed skills where discretion and judgement is required. They work with some independence under limited supervision.

Program Details

Unit Descriptor

This unit describes the performance outcomes, skills and knowledge required to handle food safely in the retail environment following organisational food safety procedures and relevant legislation and standard procedures.

It applies to individuals working in roles that involve the handling of food. They operate with some independence under general supervision and guidance from others, and within established organisational policies and procedures and relevant legislative requirements.

Food handlers must comply with the requirements contained within the Australia New Zealand Food Standards (ANZFS) Code (the Code).

Mode of Delivery

- ▶ Blended Learning with assessment activities conducted in the workplace

Delivery Methods

- ▶ Self-Directed Activities
- ▶ Workplace Support
- ▶ Online Instructor Led
- ▶ Classroom-based
- ▶ Learning and Assessment Support
- ▶ Workplace Application
- ▶ Assessment of Knowledge
- ▶ Assessment of Performance in the Workplace

Volume of Learning
